

## Call for Paper Journal of Particle Science & Technology (JPST)

Iranian Research Organization for Science and Technology

Dear Professor/Researcher

I invite you to submit your article to the *Journal of Particle Science and Technology*, which is an international, open access, peer review and interdisciplinary publication. This journal covers all aspects at the forefront of original fundamental and applied research as well as reviews in the science and technology related to particles and particular systems in size scales from nanometers to millimeters, including

- Particles synthesis and characterization
- Powder technology and applications
- Particles modification
- Particles size reduction and size enlargement
- Particles properties (biological, electrical, optical, etc.)
- Particles crystallization
- Nanopowder and powdered metals
- Metal oxides
- Aerosols and colloids
- Particles application in catalysts, pharmaceuticals, foods, ceramics, minerals, polymers, pigments, fibers, etc.

*Journal of Particle Science and Technology* (Abbreviation: *J. Particle Sci. Technol.*) is an international quarterly, academic publication by Iranian Research Organization for Science and Technology (IROST) and indexed in ISC database. The journal follows an open access publication model, meaning that all interested readers are able to freely access the journal online. We do not charge authors for any submission, processing, and publication fees. Submitted manuscripts are peer-reviewed by the Editorial Board and reviewers of the *Journal of Particle Science and Technology* before acceptance for publication. The journal has a distinguished Editorial Board with extensive academic qualifications, ensuring that the journal maintains high scientific standards and has a broad international coverage.
